A new student started at your school this week, and they are having trouble fitting in. Some of your friends have been laughing behind their back.

### **A Rumor**

You receive a message telling an embarrassing story about another student who has often been mean to you. You know your friends would think it's funny.

### **At the Party**

You're invited to a party, but your friend isn't. At the party, some of the kids make jokes about your friend and laugh at them.

### **The Bully**

As you and your friends walk down the hall to your next class you see a student push another student into the lockers, throwing books and papers all over the ground. The aggressor laughs and leaves.

### **Jon and Adam**

You've seen Jon tease Adam day after day for months. The teasing seems funny and harmless, but you've noticed that it is getting more intense as time goes by. Adam is beginning to miss school often.
